Iwasaki Sangyo Business Prize

The Department of Education International, in collaboration with the Consulate General of Japan in Brisbane and the Iwasaki Sangyo Corporation, is proud to deliver the Iwasaki Sangyo Business Prize – an esteemed annual award that recognises the commitment of Queensland students in Economics and Business.

Each year, outstanding Queensland Year 9 and Year 10 Economics and Business students are rewarded with a two-week tour to Japan. Recipients will have the unique opportunity to enhance their business and language skills, delve into Japan's rich historical and cultural heritage, and forge meaningful connections with local entrepreneurs and leading Japanese companies and organisations.

This prize not only recognizes commitment to economics and business-related learning but also fosters intercultural understanding, helping to cultivate global competence in an increasingly interconnected world.
