Shanghai Sister Cities Youth Camp

The Shanghai International Sister Cities Youth Camp, established in 2009, is an annual event that fosters meaningful connections between Shanghai and its international sister states and cities.

This dynamic camp offers Queensland Year 11 state school students a unique opportunity to immerse themselves in Chinese culture while enhancing their leadership abilities and Chinese language skills. Participants will engage in a variety of Chinese cultural activities designed to promote understanding and collaboration among youth from diverse backgrounds, including language learning, traditional and modern arts, sports and leisure activities, and city tours.

Through this program, students build lasting friendships, and develop the knowledge, skills, attitudes and values needed to effectively engage and lead others in an increasingly interconnected world.
