Students: Eligibility Requirements for STEM Taiwan Global Student Program

Queensland Government

Students must:

- Be an Australian citizen, permanent resident of Australia or a New Zealand citizen residing in Australia.
- Be a full-time Year 10 student at a Queensland state high school.
- Study STEM subjects as part of their schooling, intend to continue with the study and use of these subjects and have an interest in Taiwanese culture.
- Not speak Chinese as a first language or be the primary language spoken at home.
- Be willing to disclose personal information where required for travel and health insurance purposes, and provide a doctor's certificate stating that they are in good physical and mental health and fit for international travel, in accordance with the terms of cover under the Group Medical Conditions (group policies) listed by GoSafe Travel Insurance.
- Have (or be willing to obtain) a current and valid passport with at least six months' validity from the date of return to Australia.
- Abide by the International School Study Tours Student Participant Agreement and follow their school's Code of Conduct during the tour, under the care of supervising teachers and volunteers.
- Be willing to abide by the laws of the country they visit.
- Be willing to abide by the rules and conditions of the program, including those of the host school, and participate in all activities that form part of the program.
- Be willing to appropriately represent Queensland as a student ambassador.
- Be available to travel to Taiwan in December 2025.
- Have Parent/Guardian consent to submit an application.
- Provide the contact details of a teacher from their school who would be willing to provide a reference if requested.
- Submit an application by 5:00 pm on the closing date via the Online Application Portal.
