StuditaliA Prize

The Department of Education International, in collaboration with the Consulate of Italy in Brisbane and the Italian community, is proud to deliver the StuditaliA Prize – an esteemed annual award that celebrates the exceptional achievements of Queensland students in Italian language learning.

Each year, outstanding Queensland Year 11 and Year 12 students are rewarded with a transformative three-week immersive study tour to Italy. Recipients will have the unique opportunity to enhance their language skills, delve into Italy's rich historical and cultural heritage, and forge meaningful connections with local institutions and communities.

This prize not only recognises academic commitment but also fosters intercultural understanding, helping to cultivate future ambassadors of Italian language and culture in an increasingly interconnected world.
